### Positive Displacement Pumps

Internal Gear Positive Displacement Pumps for tough applications.  
Universal Seal, Mag Drive, Motor Speed, & General Purpose Pumps  
Specialized Abrasive Liquid, Asphalt, Ammonia, & LP Gas Pumps  
External Gear, Lobe & Vane Pumps; Gear Reducers & Strainers

**Dean Pump**  
Industrial Process Pumps

### Centrifugal Pumps

Heavy Duty & Magnetic Drive High Temperature Pumps  
Mag-drive, Horizontal, Vertical, & Self-priming ANSI pumps  
Heavy Duty Industrial Inline pumps; Hot Oil & Water Pumps

**VIKING PUMP**  
HYGIENIC

### Hygienic Pumps

Formerly Wright Flow Technologies and Johnson Pump UK  
Stainless Steel Circumferential Piston, Rotary Lobe &  
Gear Pumps in various porting, cleaning, and sealing options.

### Vacuum Pumps

Liquid Ring Vacuum Pumps & Compressors  
Rotary Vane Pumps & Systems; Dynaseal & Liquid Ring Systems  
Centrifugal Heat Transfer Pumps

**WARREN  
RUPP**

### SANDPIPER brand Air-Operated Double Diaphragm Pumps

Heavy Duty Metallic Ball & Flap Valve Pumps.  
Standard Duty Metallic & Non-Metallic Ball Valve Pumps.  
Special Duty for Containment, High Pressures, UL, Filter Press,  
USDA, Natural Gas-operated, Mines, Dewatering and Wastewater

### Mechanical Seals

Sealing systems, bearing protectors, isolators, packing,  
mechanical, mixer, lip, cartridge, pump, spring and face lip seals  
Featuring the Model SPS "Super Pump Seal" Cartridge Seal

### Chemical Process Pumps

Corrosion-resistant Centrifugal Magnetic Drive Pumps and  
Centrifugal Mechanical Seal Pumps, shut-off, control & safety valves  
for corrosive, hazardous, contaminated, pure & high-purity fluids

### Progressive Cavity Pumps

Complete line of self priming, Progressive Cavity Pumps  
for the commercial waste water and industrial markets.  
Parts and pumps interchangeable with Moyno

### Flow Meters

Rotary, Piston, and Oval Gear Flow Meters and Accessories  
for a wide range of liquids, flow rates, viscosities,  
temperatures, pressures, and pumping technologies.

**24 HR EMERGENCY  
SERVICE**

We repair pumps and equipment of all types  
Pick-up, delivery and field service is available  
Our telephone answers 24/7/365
